This Act further regulates the use of Reservation resources in order to insure their continual

A non-member may accompany a tribal member into a closed area provided, however, that the non-member has first obtained a permit as provided under this Act and that the accompanying tribal member(s) accepts full responsibility for the actions of the non-member. This allowance is not a recognition or granting of Reservation or tribal rights to any non-member and such allowance is intended solely for the convenience of the tribal member, and this privilege does not exempt the non-member from prosecution under appropriate tribal, federal or state law. All unallotted lands, territories and areas within the exterior boundaries of the Hoopa Valley Indian Reservation are closed to hunting by any person who is not a member of the Hoopa Valley Tribe. All tributary streams to the Trinity river and that portion of Pine Creek within the exterior boundaries of the Hoopa Valley Indian Reservation are closed to fishing by any person who is not a member of the Hoopa Valley Tribe. All unallotted natural resources are reaffirmed to be for the exclusive benefit of members of the Hoopa Valley Tribe.

Except as otherwise provided in this Act, Hoopa Tribal members holding a valid identification card issued under the authority of the Hoopa Valley Tribal Council shall be deemed permitted under this Act.
