However, an individual owner of land owner shares may relinquish that share for a divided interest in land upon submission and approval of a plan by the enterprise, provided that such plan demonstrates that the amount of land being acquired is of sufficient size to be in conformance with applicable tribal and federal ownership requirements and that describes how the land/asset will be managed as a divided interest.

a) The powers granted in this section are subject to restriction by the articles of incorporation. Shares may be issued at a price determined by the board of directors, or the board may set a minimum price or establish a formula or method by which the price may be determined. 69.21 Stated Capital; Determination of Amount of Non-Ownership Shares
The consideration received by a enterprise for its shares other than ownership shares shall constitute stated capital. If the shares have been assigned a par value, the consideration received shall constitute stated capital to the extent of the par value of such shares, and the excess, if any, of such consideration shall constitute capital surplus. The stated capital of a enterprise may be
increased form time to time by resolution of the board of directors directing that all or part of the surplus of the enterprise be transferred to stated capital. The board of directors may direct that the amount of the surplus so transferred shall be deemed to be stated capital in respect of any designated class of shares. Dividends shall not be paid out of stated capital.

69.22 Payment of Deficits Out of Capital Surplus or Earned Surplus
A enterprise may, by resolution of its board of directors, apply any or all of its capital surplus to the reduction or elimination of any deficit arising from losses, however incurred, but only after first eliminating the earned surplus, if any, of the enterprise by applying such losses against earned surplus and only to the extent that such losses exceed the earned surplus, if any. Each such application of capital surplus shall, to the extent thereof, effect a reduction of capital surplus.

69.23 Insolvent Enterprise Prohibited From Purchasing Own Shares

   1) The third party is eligible to become a qualified shareholder under the provisions of federal or tribal law; and
   2) the transfer to the third party will not negatively impact the ownership shares of the enterprise.

b) A notice specified in this subsection shall constitute an offer to sell the shares to the enterprise on the terms of the third party offer. Within 20 days after the enterprise receives the notice, the enterprise shall call a special meeting of shareholders which shall be held not more than 40 days after the call, for the purpose of determining whether to purchase all (but not less than all) of the offered shares. Approval of action to purchase shall be by affirmative vote of the holders of a majority of the shares encoded to vote excluding the offered shares. With the consent of all the shareholders encoded to vote for the approval, the enterprise may allocate some or all of the shares to one or more shareholders or to other persons, but if the enterprise has more than one class of shares, the remaining holders of the class of shares being offered for sale shall have a first option to purchase the shares that are not purchased by the enterprise, in proportion to their shareholdings or in such proportion as shall be agreeable to those desiring to participate in the purchase.

c) Written notice of the acceptance of the shareholder's offer shall be delivered or sent to the offering shareholder at the address specified in his notice to the enterprise, or in the absence of any specification, at his last known address as reflected in the records of the enterprise, within 75 days after receipt of the shareholder's offer. Notice sent by U.S. mail shall be timely if it is deposited in the mail prior to midnight of the 75th day following the date the offer from the shareholder was received by the enterprise. If the notice contains terms of purchase different from those contained in the shareholder's notice, the different terms shall be deemed a counter offer and unless the shareholder wishing to transfer his or her share accepts in writing the counter
offer, or the shareholder and the purchaser(s) otherwise resolve by written agreement the
differences between the offer and counter offer within 15 days of receipt by the shareholder of
the notice of acceptance, the notice containing the counter offer shall be ineffective as an
acceptance.
d) If a contract to sell is created under subsection (c), the shareholder shall make delivery of
all the certificates for the share so sold, duly endorsed, within 20 days of receipt of the notice of
acceptance, or in the case of un-certificated securities, shall within the 20 day period or deliver to
the enterprise the required instruction requesting that the transfer be made. Breach of any of the
terms of the contract shall encode the non-breaching party to any remedy at law or equity
allowed for breach of a contract, including, without limitation, specific performance.
e) If the offer to sell is not accepted pursuant to this subsections, the shareholder shall be
encoded to transfer to the third party offeror all (but not less than all) of the offered shares within
120 days after delivery of the shareholder's notice specified in subsection (c) in accordance with
the terms specified in the shareholder's notice.

69.25 Notice of Transfer Restrictions on Issued Shares
a) If the summary of share transfer restrictions required by this Code to be printed on share
certificates is too long to fit practically on the certificates, the following notice may be used
instead:

TRIBE'S LAND OWNERSHIP CODE. COPIES OF TRIBAL CODE

TRANSFERRED MAY BE OBTAINED BY A SHAREHOLDER ON
WRITTEN REQUEST TO THE ENTERPRISE.

b) All persons claiming an interest in shares of a statutory close enterprise complying with
the notice requirements of the notice requirement above shall be bound by the documents

transfer restriction binding on the transferee shall be ineffective. Any attempted transfer of share

transferee because the notice required by this Code has not been given shall give the enterprise

registration in the name of the transferee, to purchase the shares from the transferee for the same
price and terms.

other disposition of all, or substantially all, the property and assets, with or without the good will,
of an enterprise formed under this Code, if not made in the usual and regular course of its
business, shall require the affirmative vote of all of the holders of outstanding shares of each class of shares of the enterprise, whether or not otherwise encoded to vote thereon. Nothing in this section is intended to prevent or impede the consolidation of interests in fractionated lands, including by sale, when a land consolidation action is taken for that purpose.

69.28 Election Not to Have a Board of Directors

a) An enterprise formed under this Code may operate without a board of directors if the articles of incorporation contain a statement to that effect. While this statement is effective:

b) Any amendment to the articles of incorporation to include provisions authorized by this section must be approved by the holders of all the land owner and capital investment shares of the enterprise whether or not they are otherwise encoded to vote thereon, or all the subscribers to such shares, or the incorporators, as the case may be. Any amendment to the articles of incorporation to delete the election must be approved by the affirmative vote of the holders of all of the shares of the enterprise whether or not they are otherwise encoded to vote thereon.

69.29 Agreements Among Shareholders

Any agreement authorized by this section shall be valid and enforceable according to its terms notwithstanding the elimination of the board of directors, any restriction on the discretion or powers of the board of directors, or any proxy or weighted voting rights given to directors and notwithstanding that the effect of the agreement is to treat the enterprise as if it were a partnership of that the arrangement of the relations among the shareholders or between the shareholders and the enterprise would otherwise be appropriate only among partners. If the enterprise has a board of
directors, the effect of an agreement authorized by this section restricting the discretionary powers of the directors shall be to relieve the directors of, and impose upon the person or persons on whom such discretion or powers are vested, the liability for acts or omissions imposed by law upon directors to the extent that the discretion of powers of the directors are controlled by the agreement.

b) Any election not to have a board of directors is an agreement authorized by this section shall not be valid unless the articles of incorporation contain a statement to that effect in accordance with this Code. With the consent of all the shareholders encoded to vote for approval, the enterprise may allocate some for all of the shares to one or more shareholders, or to other persons, but if the enterprise has more than one class of shares, the remaining holders of the class of capital investment shares being offered for sale shall have first option to purchase the shares that are not purchased by the enterprise in proportion to their shareholdings or such proportion as shall be agreeable to those desiring to purchase. Any offer to purchase shall be accepted or rejected in writing within 15 days.

d) If an offer to purchase is rejected, or if no offer to purchase is made, the person exercising rights under this section may commence an action in the Tribal Court. The jurisdiction of the court shall be plenary and exclusive. The enterprise shall be made a part defendant in such action and shall, at its expense, give notice of the commencement of the action to all of its shareholders and such other persons as the court may direct. The court shall proceed to determine the fair value of the shares of the person exercising the rights under this section in accordance with this Code and enter an order requiring the enterprise to cause the purchase of the shares at fair value and on the other terms so determined or to give such person the right to have the enterprise dissolved.

e) Upon the petition of the enterprise, the court may modify its decree to change the terms of payment if it finds that the changed financial or legal ability of the enterprise or other purchasers of the shares to complete the purchase justifies a modification. Any person making a payment in order to prevent or cure any default by any purchaser shall be encoded to recover the excess payment from the defaulting person. The court may consider:

1) If the enterprise or other purchaser fails for any reason to make any payment specified in the court decree within 30 days after the due date for such payment, the court shall, upon the petition of the person to whom the payment is due and in the absence of good cause shown by the enterprise, enter a decree dissolving the enterprise.

2) If the fair value of the shares as determined by the court does not materially exceed the last offer made by the enterprise prior to the commencement of an action brought and the court finds that the failure of the person exercising rights under this section to accept the enterprise’s last offer was arbitrary, vexatious, or not otherwise in good faith, the court may assess all or a portion of the costs and expenses of the action against such person.

3) If the fair value of the shares as determined by the court materially exceeds the amount of the last offer made by the enterprise prior to the time a petition was filed and the court finds that the enterprise’s last offer was arbitrary, vases, or was otherwise not made in good faith, the court may assess all or a portion of the costs and expenses of the action against the enterprise.

f) Expenses assessable under this subsection shall include reasonable compensation for and reasonable expenses of any appraisers appointed by the court, and the reasonable fees and expenses of counsel for and experts employed by any party. Legal costs of an action filed
pursuant to this subsection may be assessed by the Tribal Court on an equal basis between the enterprise and any party exercising rights under this section, and all other fees and expenses shall be borne by the party incurring the fees and expenses.

69.35 Actions by Shareholders of Close Enterprises

a) Any shareholder of record, the beneficial owner of share held by a nominee, or the holder of voting trust certificates of a enterprise formed under this Code may file a petition in the Tribal Court for relief on the grounds that the directors or those in control of the enterprise have or will have conducted the business and affairs of the enterprise in a manner which is not in good faith and which is unfair or oppressive as to the petitioner. Such conduct shall include, but shall not be limited to unfairly depriving the shareholder of the benefit of his or her interests or investment in preference to other shareholders by failing to pay dividends which in good faith ought to be paid, or using the payment of wages as an unfair device to divert income from the petitioner or that conditions exist that would be grounds for judicial dissolution of the enterprise.

b) In determining whether one or more of the conditions exist for review of the enterprise's affairs, the court shall give due consideration to the strict fiduciary duty which shareholders of enterprises formed under this Code owe to one another, with is the duty of good faith, fairness and loyalty.

c) The jurisdiction of the court shall be plenary and exclusive. If the court finds that conditions exist that justify court intervention, it shall grant such relief as in its discretion is deemed appropriate, including, without limitation, orders granting one or more of the following types of relief:

1) Canceling, altering or enjoining any resolution or other act of the enterprise;
2) directing or prohibiting any act of the enterprise or of shareholders, directors, officers, or other persons party to the action;

d) If the court finds the relief specified in this subsection would be inadequate or inappropriate, ordering that the enterprise is liquidated and dissolved unless either the enterprise or one or more of the remaining shareholders has purchased all of the shares of another shareholder at their fair value by a designated date, with the fair value and terms of the purchase to be determined as provided in accordance with tribal and federal law or by this Code. With respect to land owner shares, the court shall appoint a custodian to represent the land owner.
shareholders until such time as the land owners, tribe or appropriate federal agency prescribes an alternative management structure administer the land. In the event the capital investment share purchase is not consummated and the enterprise is dissolved and liquidated, any shareholder whose shares were to be purchased shall have the same rights and priorities in the assets of the enterprise as would have been the case had no purchase been ordered by the court:

1) Awarding damages to any aggrieved party in addition to or in lieu of any other relief granted;
2) In determining whether to enter a judgment under this subsection, the court shall take into consideration the financial condition of the enterprise but shall not refuse to order liquidation solely on the grounds that the enterprise has earned surplus or current operating profits.

e) If the court orders relief, the court shall:
1) Proceed to determine the fair value of the shares to be purchased, considering the going concern values of the enterprise, any agreement among the same or all of the shareholders fixing a price or specifying a formula for determining the value of the enterprise's shares for any purpose, the recommendations of any appraiser appointed by the court, any legal constraints on the ability of the enterprise to acquire the shares to be purchased, and other relevant evidence.
2) Enter a decree specifying the identity of the purchaser and the terms of the purchase found to be proper under the circumstances, including such provisions as are deemed proper concerning payment of the purchase price in two or more installments, payment of interest on the installments, subordination of the obligation to the rights of other creditors of the enterprise, security for the deferred purchase price, and a covenant not to complete or other restriction on the selling shareholder.
3) Order that the selling shareholder shall, concurrently with the payment of the purchase price, or in the event of an installment purchase concurrently with the payment of the initial payment called for in the order make delivery of all his or her shares and from that date have no rights or claims against the enterprise or its directors, officers, or shareholders by reason of his or her having been a director, officer, or shareholder of the enterprise, except the right to receive the unpaid balance of the amount awarded under this section and any amounts due under any agreement with the enterprise for the remaining shareholders that are not terminated by the court's order.
4) Order that if the purchase is not completed in accordance with the court's decree, the enterprise shall be liquidated.

Unless the election to operate without a board of directors has been made, all enterprise powers shall be exercised by or under the authority of, and the business and affairs of the enterprise managed under the direction of, its board of directors, subject to any limitations set forth in the articles of incorporation.

69.38 Qualifications of Directors
The articles of incorporation or bylaws may prescribe qualifications for directors. A director need not be a resident of the state of a shareholder of the enterprises unless the articles of incorporation or bylaws so prescribe. A director shall be at least 18 years of age.

69.39 Terms of Directors
The terms of the initial directors of the enterprises expire at the first shareholders' meeting at which directors are elected. The terms of all other directors expire at the next annual shareholders' meeting following their election unless the articles of incorporation provide that their terms be staggered. A decease in the number of directors does not shorten an incumbent director's term. The term of a director elected to fill a vacancy expires at the next shareholders' meeting at which directors are elected. Despite the expiration of a director's term, he or she continues to serve until his or her successor is elected and qualifies or until there is a decrease in the number of directors.

69.40 Removal of Directors by Shareholders
The shareholders may remove one or more directors with or without cause unless the articles of incorporation provide that directors may be removed only for cause. If a director is elected by a voting group of shareholders, only the shareholders of that voting group may participate in the vote to remove him or her. A director may be removed by the shareholders only at a meeting called for that purpose and the meeting notice must state the purpose, or one of the purposes, of the meeting is removal of the director.

69.41 Removal of Directors by Judicial Proceeding

   1) The director engaged in fraudulent or dishonest conduct, or gross abuse of authority or discretion, with respect to the enterprise; and
   2) removal is in the best interest of the enterprise.

b) If the court removes the director it may bar the director from reelection for a period prescribed by the court. If shareholders commence a proceeding under this subsection, they shall make the enterprise a party defendant.
69.42 Meetings.
The board of directors may hold regular or special meetings on or off the Reservation. Unless the articles of incorporation or bylaws provide otherwise, the board of directors may permit any or all directors to participate in a regular or special meeting by, or conduct the meeting through the use of any means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by this means is deemed to be present in person at the meeting.

69.43 Action Without Meeting
Unless the articles of incorporation or bylaws provide otherwise, action required or permitted by this Code to be taken at the board of directors' meeting may be taken without a meeting if the action is taken by all members of the board. The action must be evidenced by one or more written consents describing the action taken, signed by each director, and included in the minutes or filed with the corporate records reflecting the action taken. Action taken under this section is effective when the last director records action on the consent, unless the consent specifies a different effective date. A consent signed under this section has the effect of a meeting vote and may be described as such in any document.

69.44 Notice of Meeting
Unless the articles of incorporation or bylaws provide otherwise, regular meetings of the board of directors may be held as provided in the bylaws without notice to directors of the date, time, place, or purpose of the meeting. Unless the articles of incorporation or bylaws provide for a longer or shorter period, special meeting of the board or directors must be preceded by at least two days' notice of the date, time, and place of the meeting. The notice need not describe the purpose of the special meeting unless required by the articles of incorporation, bylaws or the provisions of this Code.

69.46 Quorum and Voting.
Unless the articles of incorporation or bylaws require a greater number, a quorum of the board of directors consists of a majority of the number of directors. The articles of incorporation or bylaws may authorize a quorum of a board of directors to consist of no fewer than one-third of the number of directors. If a quorum is present when a vote is taken, the affirmative majority of directors present is the act of the board of directors unless the articles of incorporation or bylaws require the vote of a greater number of directors. A director who is present at a meeting of the board of directors of a committee of the board of directors when corporate action is taken is
deemed to have assented to the action unless:
a) He/she objects at the beginning of the meeting (or promptly upon his or her arrival) to holding it or transacting business at the meeting;
b) his/her dissent or abstention from the action is taken in the minutes of the meeting; or
c) he/she delivers written notice of his or her dissent or abstention to the presiding officer of the meeting before its adjournment or to the enterprise immediately after adjournment of the meeting. a) A director shall discharge his or her duties as a director, including duties as a member of a committee:
   1) in good faith;
   2) with the care an ordinarily prudent person in a like position would exercise under similar circumstances; and
   3) in a manner he or she reasonably believes to be in the best interests of the enterprise.

b) In discharging his or her duties a director is encoded to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

   2) legal counsel, public accountants, or other persons as to matters the director reasonably believes are within the person's professional or expert competence, or a committee of the board of directors of which he or she is not a member if the director reasonably believes to committee merits confidence.

b) A director is not acting in good faith if he or she has knowledge concerning the matter in question that makes reliance otherwise permitted by this subsection unwarranted. A director is not liable for any action taken as a director, of any failure to take any action, if he or she performed the duties of office in conjunction with this section.

69.48 Director Conflict of Interest
a) A conflict of interest transaction is a transaction with the enterprise in which a director of the enterprise has a direct or indirect interest. Any conflict of interest transaction is voidable by the enterprise because of the director's interest in the transaction unless any one of the following is true:

c) A conflict of interest transaction may be authorized, approved, or ratified if it receives the affirmative vote of a majority of the directors on the board of directors (or on the committee) who have no direct or indirect interest in the transaction, but a transaction may not be authorized, approved, or ratified under this section by a single director. If a majority of the directors who have no direct or indirect interest in the transaction vote to authorize, approve or ratify the transaction, a quorum is present for the purpose of taking action under this section. The presence of, or a vote cast by, a director with a direct or indirect interest in the transaction does not affect the validity of any action taken if the transaction is otherwise authorized, approved or ratified as provided in that subsection.

d) A transaction involving a conflict of interest may be authorized, approved or ratified by an affirmative vote of a majority of the land owner and capital investment shareholders encoded to be counted under this subsection. Shares owned by or voted under the control of a director who has a direct or indirect interest in the transaction, and shares owned by or voted under the control of an entity may not be counted in a vote of shareholders to determine whether to authorize, approve or ratify a conflict of interest transaction. The vote of those shares, however, is counted in determining whether a transaction is approved under other sections of this Code. A majority of shares, whether or not present, that are encoded to be counted in a vote on the transaction under this subsection constitutes a quorum for the purpose of taking action under this section.

69.49 Liability for Unlawful Distributions.

Unless he/she complies with applicable standards of conduct, a director who votes for or assents to a distribution made in violation of this Code or the articles of incorporation is personally liable to the enterprise for the amount of distribution that exceeds what could have been distributed without violating this Code or the articles of incorporation. A director held liable for an unlawful distribution is encoded to contributions:

   3) in a manner he or she reasonably believes to be in the best interests of the enterprise.
b) In discharging his or her duties an officer may rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:
   1) One or more officers or employees of the enterprise whom the director believes to be reliable and competent in the matters presented; or
   2) legal counsel, public accountants, or other persons as to matters the director reasonably believes are within the person's professional or expert competence.
